ASSEMBLY AND ERECTION

CARE AND MAINTENANCE

WARNINGS

For domestic and outdoor use only.

We suggest you retain these instructions for future reference

Keep fittings out of children's reach and keep children well away from construction area.

Please periodically check all fittings and re-tighten as necessary

Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to protect it from damage

We suggest you retain these instructions for future reference

We suggest you spend a short time reading through this leaflet before you start

When you are ready to start, make sure that you have the right tools and plenty of space

Unwrap all packaging materials and place the components on a clean surface to protect it from damage, We recommend that the packaging is used to protect the surfaces during assembly

Carefully check that you have all the parts before beginning assembly

SAFETY INSTRUCTIONS

Ensure any safety lock is correctly located and locked in place.

Keep hands away from folding mechanisms to prevent possible entrapment or injury.

Please make sure that the product is clean and dry before putting it into storage.

We recommended the use of furniture covers to protect your furniture when not in use. During severe weather conditions, please move your furniture inside

To clean your items, please use mild detergent in warm water. Rinse with clean water and dry thoroughly. Do not use abrasive cleaners, strong detergents, bleach, acid or solvents on the frame parts

Please do not leave your product outside when not in use. During bad weather and winter months the product should be dismantled and stored in a cool dry place.
